

## 2020 Regional Workshop General Agenda

San Antonio, Texas

August 20, 2020

Norris Conference Center

### Join us to:

1. **Learn** about skills, resources, and tools that will apply directly to your day-to-day work in improving the health of your community.
2. **Engage** with other local leaders and health champions to solve local community health challenges.
3. **Connect** with others in your local community to support health-promoting policy, systems, and environmental change.
